Requests the deregistration of the patient from the Brussels Health Network.

By taking this step, the patient or their legal representative accepts the following conditions: no further health data will be referenced or shared on the BHN. Deregistration automatically cancels consent to share health data at the national level. Abrumet retains administrative data, the reference directory (whose hyperlinks are deactivated), and the access history (logs) for 30 years for evidentiary purposes.

Document to be sent dated and signed to: **info@abrumet.be** or Rue de la Montagne 11, 1000 Brussels. Please attach a copy of both sides of the patient's identity card
